

Fundraising ideas for your Festive Friday

Fancy doing a little bit extra?
Have a look at some of our ideas
to get everyone in a merry mood!

Not so Secret Santa...

Ditch the novelty gifts this year and donate the money you would've spent to The Children's Trust.

Get crafty!

Get your colleagues, students, friends or family to get crafty this Christmas and sell their creations for a donation. Great for stocking fillers!

Fancy dress competition

Ask your colleagues, group members or students to enter a festive fancy dress competition for a donation and the best dressed wins a small prize.

Hold a festive quiz

Create a quiz for all of your colleagues, group members or students to take part in. Charge them an entry fee and provide a small prize for the winner. This is a great idea as this can also be done virtually too.

Hold a raffle

Get everyone to donate their unwanted gifts from last year and buy a few extra bits to hold a raffle. You'll be surprised how quickly this can raise extra funds.

Penalty charge

As a forfeit, charge £3 to those who do not wear something festive.

Your donations could go towards supporting children like Gwen this Christmas.

How will your Festive Friday make a difference?

£4

could pay for a touch and feel sensory toy.

£16

could fund a fibre optic light for a multisensory room.

£52

could fund a physio ball to help a child balance and play.

£200

could buy a music system to help children have a fun Christmas party and give added stimulation.

£1,500

could fund tracks for a ceiling hoist to enable children to be moved safely and with dignity.

**Don't forget – the more you raise,
the more children we are able to support.**

Thank you for taking part in Festive Friday
